Admission for the Roughtstock will be \$10.00 with 6 and under free.

Beer Garden was discussed and Caleb will ask Delma Borg what the split on the profits is and will further discuss with her what she needs/wants from us.

Mowing was also discussed, lots of complaints about the mowing being done before Expo. Albrecht mentioned that himself and his son helped mow and they will turn in their hours to be paid. Will see about getting another person to help mow if Wyatt can't keep up.

### **New Business:**

Donnie Killion and Katie Bowers are interested in having barrel racing competitions at the fairgrounds and possibly a JR Rodeo. The board told them they needed to get us some more information and we will further discuss having them.

The parade route needs to be changed due to the detour on Hwy 20. Becca will put in the paper the new route and have it marked so everyone knows.

Larry Buell called about extra dirt available from the community center project. Dirt will be used at various spots around the fairgrounds.

The ice machine isn't working and needs to be fixed. Jw had contacted a guy in Ainsworth to come look at it, now just waiting.

Sawyer mentioned that the hydrants still haven't been moved at the fairgrounds and they need to be moved before the high school rodeo. Adam said he would give Mike Kreitman another call. He also said he would talk to Daniels Mfg. to see how much it would cost to get some new panels for the turnout pens.

With no further business, Lackaff made a motion to adjourn the meeting. The motion was seconded by Albrecht. Motion carried.

Meeting adjourned at 9:45 p.m. by President Ogier.

Next meeting, July 9th @ 7:00 p.m.
